

 \$265/ton

Your *LOCAL* Dealer for New England Wood Pellets

Keeping It LOCAL

When you buy New England premium wood pellets, you're supporting your local economy - your family, friends and neighbors. Unlike many of the pellet brands on the market today, New England Wood Pellet is an authentic 'local' pellet manufacturer located in Jaffrey, NH. All of their source materials are collected from local mills and manufactured right here at their Jaffrey facilities in the northeastern United States.

 Local Delivery
\$20/ton
